BRING A BOOK, HAT, SCARF, GLOVES, OR SOCKS

Every year Land of Sky staff participate in a service project for the holidays in one of our four counties. This year Madison County will benefit from staff donating books to a new Bookmobile and warm weather gear to the county's senior centers.

The Book Drive is for a new bookmobile that has been created from an old activity bus that was donated from the Madison County School System's bus garage. Many children in the county do not have books at home. The bookmobile will provide new and gently used books to children as a gift. If you'd like to donate, please bring books for children ranging in age from 2-14 years old.

The Warm Weather Gear is for seniors in the county in need of extra protection from the cold months coming up. If you'd like to contribute, please bring hats, gloves, scarves, and socks.
