Areas of Concern

Are there resident issues or topics that need follow-up or review at a later time or during the next visit?

One rest room was missing a door handle and lock. SIC said it was being replaced later that day!

Exit Summary

Discuss items from "Areas of Concern" Section as well as any changes observed during the visit.

Facility is in very poor condition due mostly to age and poor maintenance. It did appear to be clean however. It's sanitation rating was only 93.5. Activities are minimal and most residents were just milling around inside and out. Only a daily menu was posted not weekly or monthly.
