Program Name	Total Program Costs	Eligible for financial assistance under the Workforce Innovation & Opportunity Act (WIOA)	Program Length	Available Scholarships
Accounting Degree - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$5,159.00	✓	71 Hours	✓
Advanced Emergency Medical Technician Certificate - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government	\$231.35		4 Months	✓
Air Conditioning, Heating, Refrigeration Tech Certificate - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$1,511.00	✓	8 Hours	✓
Associate in Science Degree - An associate degree, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$1,182.00		8 Hours	✓
Associate Nursing Degree - A license recognized by the State involved or the Federal Government, An associate degree, Employment	\$9,982.00	✓	5 Semesters/Terms	✓
Automotive Systems Technology AAS Degree - An	\$12,464.00		8 Hours	✓

industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment				
Baking and Pastry Arts AAS - An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$8,633.00	✓	75 Weeks	✓
Basic Law Enforcement Training Certificate - An industry-recognized certificate or certification	\$1,711.00		8 Hours	✓
Brewing, Distillation, & Fermentation AAS Degree - An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$8,766.00	✓	5 Semesters/Terms	✓
Business Administration AAS Degree - An industry-recognized certificate or certification, An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$6,585.00	✓	65 Hours	✓
Business Administration Certificate - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$1,916.00	✓	7 Semesters/Terms	✓
Civil Engineering Technology Degree - An industry-recognized certificate or certification, An associate degree	\$8,245.00	✓	104 Weeks	✓
CNC Machining 101 Certificate - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$300.00		120 Hours	✓
Community Health Worker - An industry-recognized certificate or certification, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$285.05	✓	16 Weeks	✓
Composite Technology Level I Previously Titled Aerospace and Structural Composites Repair Certificate - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$291.35		84 Hours	✓
Computer Aided Drafting Technology Degree - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$5,224.00		8 Hours	✓
Computer Engineering Technology Degree - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$6,972.00		71 Hours	✓
Computer Information Technology Degree - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal	\$5,184.00		8 Hours	✓

Government, An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment				
Computer Integrated Machining AAS Degree - An industry-recognized certificate or certification, An associate degree, A community college certificate of completion, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$7,536.00	✓	8 Hours	✓
Computer-Aided Drafting Technology Certificate - An industry-recognized certificate or certification, A community college certificate of completion, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$1,210.00	✓	3 Semesters/Terms	✓
Construction Craft Skills Certificate - An industry-recognized certificate or certification	\$136.35		6 Weeks	✓
Construction Management Technology AAS Degree - An industry-recognized certificate or certification, An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$8,004.00	✓	5 Semesters/Terms	✓
CPR Certificate - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$120.00		6 Hours	✓
Criminal Justice Technology AAS Degree - An industry-recognized certificate or certification, A certificate of completion of an apprenticeship, An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$6,308.00	✓	8 Hours	✓
Culinary Arts AAS Degree - An industry-recognized certificate or certification, An associate degree	\$8,515.00	✓	5 Semesters/Terms	✓
Dental Assisting Diploma - A secondary school diploma or its equivalent	\$7,776.00		3 Semesters/Terms	✓
Dental Hygiene Degree - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$3,901.00	✓	8 Hours	✓
Diesel and Heavy Equipment and Technology Degree - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$7,309.00		4 Semesters/Terms	✓
Diesel and Heavy Equipment Technology Diploma - An industry-recognized certificate or certification, A community college certificate of completion, A secondary school diploma or its equivalent	\$9,259.00		45 Hours	✓
Digital Media Program Degree - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$6,579.00	✓	8 Hours	✓
Early Childhood Associate - AAS Degree - An associate degree, Employment, A measurable skills gain leading to	\$3,627.21	✓	5 Semesters/Terms	✓

a credential, A measurable skills gain leading to employment				
Early Childhood Associate Certificate - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$414.12	✓	2 Semesters/Terms	✓
Electrical Systems Technology Diploma - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$7,452.00		8 Hours	✓
Electronic Medical Records Certificate - An industry-recognized certificate or certification	\$185.00		96 Hours	✓
Electronics Engineering Technology Degree - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$2,566.00		8 Hours	✓
Emergency Medical Science AAS Degree - A license recognized by the State involved or the Federal Government, An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$5,909.00	✓	8 Hours	✓
Emergency Medical Technician Certificate - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$819.70		16 Weeks	✓
Fire Protection Technology Certificate - An industry-recognized certificate or certification, A community college certificate of completion, A measurable skills gain leading to a credential	\$1,862.00		2 Semesters/Terms	✓
Fire Protection Technology Degree - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$6,648.00		67 Hours	✓
FSPCA Preventive Controls for Human Food Certificate - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$250.00		24 Hours	✓
General Education Diploma - An industry-recognized certificate or certification, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$20.00	✓	48 Hours	✓
General Occupational Technology Degree - An associate degree, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$1,570.00		8 Hours	✓
Health and Fitness Science AAS Degree - An industry-recognized certificate or certification, An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$11,072.00	✓	8 Hours	✓

Healthcare Business Informatics Degree - An associate degree	\$8,445.00		5 Semesters/Terms	✓
Hospitality Management A.A.S Degree - An associate degree	\$8,340.00		5 Semesters/Terms	✓
Human Resource Management Degree - An associate degree	\$1,536.00		5 Semesters/Terms	✓
Human Services & Substance Abuse Studies Certificate - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$1,625.00	✓	18 Hours	✓
Human Services Degree - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$1,511.00	✓	8 Hours	✓
Income Maintenance Caseworker 1 & 2 Certificate - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$130.00		12 Weeks	✓
Industrial Maintenance Academy Certificate - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to employment	\$435.00		8 Weeks	✓
Information Systems Security Degree - An associate degree	\$7,080.00	✓	68 Hours	✓
Information Technology: Software and Web Development AAS Degree - An associate degree, A measurable skills gain leading to a credential	\$8,465.00	✓	70 Hours	✓
Information Technology: Software Programming Fundamentals Certificate - An industry-recognized certificate or certification, A community college certificate of completion, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$1,479.00	✓	3 Semesters/Terms	✓
LEAN Six Sigma Green Belt - An industry-recognized certificate or certification, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$1,800.00		88 Weeks	✓
Machining Fundamentals - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$276.40		15 Weeks	✓
Marketing and Retailing Degree - An associate degree	\$6,744.00		5 Semesters/Terms	✓
Mechanical Engineering Technology Certificate - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$1,511.00	✓	8 Hours	✓
Medical Assisting - AAS Degree - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal	\$6,644.00	✓	104 Weeks	✓

Government, An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment				
Medical Laboratory Technology Degree - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$6,572.00	✓	8 Hours	✓
Medical Office Admin. Certificate - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$1,511.00		8 Hours	✓
Medical Office Administration AAS Degree - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$7,807.00	✓	75 Semesters/Terms	✓
Medical Office Administration Diploma - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$1,511.00	✓	8 Hours	✓
Medical Office Administration Medical Coding Certificate - An industry-recognized certificate or certification, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$2,360.00		6 Weeks	✓
Medical Sonography AAS Degree - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, An associate degree, A community college certificate of completion, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$11,825.00	✓	75 Hours	✓
Medical Terminology Certificate - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to employment	\$165.26		24 Hours	✓
Medical Transcription - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	Not Available		8 Hours	✓
Networking Technology - An associate degree	Not Available		8 Hours	✓
Notary Public Certificate - A license recognized by the State involved or the Federal Government	\$147.00		8 Hours	✓
Nursing Assistant Certificate - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$370.40	✓	161 Hours	✓
Occupational Therapy Assistant AAS Degree - An industry-recognized certificate or certification, An associate degree, Employment, A measurable skills gain	\$7,311.00	✓	75 Hours	✓

leading to a credential, A measurable skills gain leading to employment				
Office Administration Degree - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, An associate degree, Employment	\$1,511.00		8 Hours	✓
Office Professional Certificate - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to employment	\$185.00		96 Hours	✓
Ophthalmic Assisting Certificate - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$767.90		641 Hours	✓
Pharmacy Technology Diploma - A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$4,225.00		3 Semesters/Terms	✓
Phlebotomy Certificate - A license recognized by the State involved or the Federal Government	\$2,548.00	✓	2 Semesters/Terms	✓
Practical Nursing Diploma - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$1,216.00		8 Hours	✓
Radiography AAS Degree - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, An associate degree	\$11,934.50	✓	5 Semesters/Terms	✓
Sustainability Technology AAS Degree - An associate degree, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$7,669.00	✓	5 Semesters/Terms	✓
TAA - Business Admin AAS	Not Available		104 Weeks	✓
TAA - Computer Security	Not Available		8 Weeks	✓
TAA - Developmental/Remedial Math	Not Available		26 Weeks	✓
TAA - Developmental/Remedial Reading/English	Not Available		26 Weeks	✓
TAA - GED/HS Equivalency	Not Available		52 Weeks	✓
TAA - Information Tech Software and Web Development - AAS	\$9,425.00		104 Weeks	✓
TAA - Information Technology Systems - AAS	\$11,670.00		104 Weeks	✓
TAA - Medical Assisting - AAS	Not Available		104 Weeks	✓
TAA - PHP	Not Available		8 Weeks	✓
TAA - SQL Intermediate	Not Available		8 Weeks	✓
TAA - SQL Introduction	Not Available		8 Weeks	✓

TAA Medical Office Admin - Diploma - A secondary school diploma or its equivalent	Not Available		3 Semesters/Terms	✓
Veterinary Assistant I - An industry-recognized certificate or certification, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$75.00		6 Weeks	✓
Veterinary Assistant II: Canine Reproduction - An industry-recognized certificate or certification, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$75.00	✓	6 Weeks	✓
Veterinary Assistant III: Practical Skills Certificate - An industry-recognized certificate or certification, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$75.00	✓	6 Weeks	✓
Veterinary Certificate - An industry-recognized certificate or certification, A license recognized by the State involved or the Federal Government, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$2,136.00		24 Hours	✓
Veterinary Medical Technology - An associate degree	\$12,426.01		6 Semesters/Terms	✓
Web 140 Certificate - An industry-recognized certificate or certification, Employment, A measurable skills gain leading to a credential, A measurable skills gain leading to employment	\$260.00	✓	3 Hours	✓
Web Technology Degree - An associate degree	\$9,813.00		5 Semesters/Terms	✓
Website Options for Beginners - A community college certificate of completion	\$39.00		3 Hours	✓
Welding Technology AAS Degree - An associate degree	\$10,378.00	✓	5 Semesters/Terms	✓
Welding Technology Diploma - An industry-recognized certificate or certification	\$5,149.00		3 Semesters/Terms	✓
