

Department: Transportation Resource Center
Reports to: NEMT Manager

General Statement of Duties

The primary purpose of this position is to provide non-emergency Medicaid transportation customer service/public assistance to Buncombe County customers in person or by phone. This position will screen customers at the agency front desk or in phone calls to the call center, for information, gather data, explain services and programs, interpret regulations and policies, explain appeal rights and make appropriate referrals, will be able to pull up client files and respond to questions that previously were sent to caseworkers. Position will perform duties as a representative of a public agency and is subject to high standards for personal and professional conduct. Bi-lingual position is for Spanish/English speaker.

Distinguishing Features of the Class

This worker is responsible for receiving all Medicaid transportation customers visiting the agency or calling by phone. The worker must briefly interview customer to obtain sufficient information and assess the customer needs for Medicaid transportation, offers assistance to visitors in a friendly, courteous caring way. This worker must assure confidentiality of customer information is not compromised. Complexity of subject matter is substantial in this position as employee is responsible for evaluating, interpreting and explaining agency Medicaid transportation services, policies and procedural regulations. Employee encounters a variety of problem situations and independently determines appropriate course of action with little supervision and is responsible for serving as an agency image.

Duties and Responsibilities

Essential Duties and Tasks

- Screen customers for information and gather data.
- Explain services and programs, interpret regulations and policies, explain appeal rights and make appropriate referrals to caseworkers.
- Accessing customer records to answer questions on the status of case and in-putting changes as needed.
- Selecting appropriate transportation provider and scheduling appointments for transportation services.
- Collecting and verifying back-up data for trips completed
- Billing and invoicing as required for NEMT transportation services
- Maintain a log of all applicants and visitors and be prepared to carry out requirements.
- Provide information to services provided by other community resource agencies.
- Provide online verifications for customers applying for services
- Log and review mail-in applications
- Collect child travel authorization forms and forward to transportation providers as necessary
- Update Medicaid or private insurer information.
- Be familiar with transportation providers under contract, their particular strengths and trade-offs
