**Areas of Concern**

**Exit Summary**

Are there resident issues or topics that need follow-up or review at a later time or during the next visit?

Discuss items from "Areas of Concern" Section as well as any changes observed during the visit.

Not really. We received many positive responses from the folks we interviewed, including family members and no complaints were mentioned.

We had a nice interview between Jessica Houser & Angie Black. They were comfortable that things were going well and also pleased that residents were responding positively.
