

Mountain Area Workforce Development Board
Policy Statement: 2017 Number 4
Effective Date: June 27, 2017

Policy Statement Regarding Work Experience for the Workforce Innovation and Opportunity Act Eligible Adults, Dislocated Workers and Youth

Purpose: To transmit a new Work Experience (WEX) Policy for eligible Youth, Adult and Dislocated Worker participants pursuant to the Workforce Innovation and Opportunity Act (WIOA) and consistent with DWS Policy Statement Number PS 10-2017.

Background: Pursuant to DWS Policy Statement Number PS 10-2017 “Work Experience (WEX) Training” is planned, structured learning experience that occurs in a workplace for a specified, limited period of time. The purpose of the WEX activity is to provide the WIOA Title I participant with opportunities for career exploration, skill development, and reinforcement of the work ethic. WEX Training may include paid or unpaid wages and may be in the private for-profit sector, the non-profit sector, or the public sector. Under WIOA, paid and unpaid youth work experiences that have academic and occupational education as a component of the work experience can include a number of activities including summer employment, pre-apprenticeship, internships, job shadowing, and on-the-job training (OJT). Adult and Dislocated WEX must be linked to a career goal and based upon the participant’s interest and aptitude. The intent of WEX is not to benefit the employer, although the employer may, in fact, gain from the activities performed by the participant, and in some cases may result in an employment offer. WEX activities shall not reduce current employees’ work hours, displace current employees or create a lay-off of current employees, impair existing contracts or collective bargaining agreements, and/or infringe upon the promotional opportunities of current employees as defined by the Fair Labor Standards Act.

The Mountain Area Workforce Development Board is an Equal Opportunity Employer and Provider of Career Development, Training and Employment Services. Auxiliary aids and services are available upon request to individuals with disabilities.

Action: All Local Area Adult and Dislocated Worker contractors and their staff must adhere to the policies outlined for Workforce Innovation Opportunity Act (WIOA) funded WEX for Youth, Adult and Dislocated Worker participants.

Attachments: WIOA Work Experience Guidelines, Sample Work Experience Agreement, and Sample Work Experience Agreement: Trainee Evaluation.

The Mountain Area Workforce Development Board is an Equal Opportunity Employer and Provider of Career Development, Training and Employment Services. Auxiliary aids and services are available upon request to individuals with disabilities.

MOUNTAIN AREA WDB WORK EXPERIENCE GUIDELINES

Work Experience (WEX) Assessment and Training Plan

The service provider shall ensure that WEX training for WIOA Title I eligible participants is appropriate based on the needs identified by an objective and comprehensive assessment and as documented in the Individual Employment Plan/Individual Service Strategy (IEP/ISS). The WEX IEP/ISS should clearly indicate how this activity is going to help the participant move from the WEX to unsubsidized employment or on to further training. Documentation of the need for work experience that is tied to and supported by academic and occupational education and the objectives of the work experienced must be detailed in the IEP/ISS and WEX Training Plan, if one is utilized. However, adult and dislocated worker participants are not required to participate in academic and occupational education activities while enrolled in work experience.

Periodic evaluation of the participant's learning and attainment of skills during the work experience, including information about any incentive payments made (currently the Local Area does not provide for incentive payments), should be documented in case notes in NCWorks Online. When possible, it is strongly encouraged that the WEX and its associated training components be directly tied to the attainment of a credential and documented in the IEP/ISS. Program providers should use either O*NET or other identified programs when developing the competencies to be learned and evaluated in the WEX. The IEP/ISS should include the job skills needed, training hours, and estimated start and end date. Youth academic and occupational components must be included.

The maximum duration of the work experience should be specified per program year. The determination of the duration of the WEX should be based on the academic and occupational competencies the WIOA participant needs to develop or refine and must be specified in the IEP/IS and WEX Training Plan, if one is utilized. Academic skills training could be basic skills education or high school equivalency (HSE) training. Occupational skills competencies may be gained through the WEX, HRD classes or through courses specific to the job/career/occupation in which the individual is having the work experience.

A WEX Training Plan if developed in conjunction with the IEP/ISS allows service providers to monitor and evaluate the WEX. It serves as a baseline when establishing whether the needs of the WIOA participant and the employer's expectations of training and development have been met.

Youth Work Experience Opportunities

Pursuant to WIOA section 129(c)(2)(C), local Workforce Development Boards (WDB) are required to offer youth programs that involve paid and/or unpaid work experiences that have as a component both academic and occupational education. The educational component may occur concurrently or sequentially with the work experience. Further academic and occupational education may occur inside or outside the work site. Work experiences provide the youth participant with opportunities for career exploration and skill development. These experiences may include:

The Mountain Area Workforce Development Board is an Equal Opportunity Employer and Provider of Career Development, Training and Employment Services. Auxiliary aids and services are available upon request to individuals with disabilities.

- (1) Summer employment opportunities and other employment opportunities available throughout the school year;
- (2) Pre-apprenticeship programs;
- (3) Internships and job shadowing; and
- (4) On-the-job training (OJT) opportunities as defined in WIOA Section 3(44) and NC Policy Statement 04-2015.

Recognized best practices for engaging youth in work experiences:

- (1) Program prepare youth for work experiences through training and guidance in soft skills. Youth programs engaged young adults in training or class activities that develop these soft skills. This may include learning about professional work culture, working in teams, interpersonal skills and communication.
- (2) Some programs also train youth in technical skills or hard skills needed for specific career pathways or work settings. Youth will learn skills specific to an occupational sector.
- (3) Program staff devote significant time to developing and maintaining relationships with employers. Dedicated staff (job developers) may handle all aspects of employer relations, from making an initial inquiry about partnering to establishing worksite agreements with employers, to responding to any employer concerns during the work experience.
- (4) Programs clearly communicate what is expected of employers, youth and families before the start of the work experience to include mentoring the youth and providing feedback to the program coordinator. Some programs address the importance of work in life, how the program helps youth make a successful transition to work, what employers expect of workers, and how to appropriately interact with employers.
- (5) Programs carefully match youth to work experience opportunities based on individual interests and skills. Making the right match increases the success of the work experience by ensuring that youth feel motivated from the start to participate fully.
- (6) Programs provide on-going support to youth and employers throughout the work experience. To ensure a work experience is successful for everyone involved, programs maintain communication with both the youth and employers from the first to the last day of the WEX. While some programs have daily or weekly contact with youth to monitor their progress, other programs conduct first-week, midpoint, and last-week work site visits at a minimum.

The Mountain Area Workforce Development Board is an Equal Opportunity Employer and Provider of Career Development, Training and Employment Services. Auxiliary aids and services are available upon request to individuals with disabilities.

Youth Work Experience – 20 Percent Spending Requirement

Local youth programs must expend not less than 20 percent of the Title I youth funds allocated to them to provide in-school and out-of-school youth with paid and/or unpaid work experiences. Local WIOA Title I youth programs must track program funds spent on paid and unpaid work experiences, including wages and staff costs for the development and management of work experiences, and report such expenditures as part of the local WIOA youth financial reporting. The percentage of funds spent on work experience is calculated based on the total local area youth funds expended for work experience, rather than calculated separately for in-school and out-of-school youth. The 20 percent spending requirement is calculated after administrative costs have been subtracted from the total amount of youth funds.

Adult/Dislocated Worker Work Experience

Unlike WIOA Title I Youth programs, WIOA Title I Adult and Dislocated Worker programs do not have a minimum expenditure rate. While WEX is used as a resume builder and learning experience for youth, Adult/Dislocated Worker WEX focuses on learning new transferrable skills and enhancing employability.

Wages and Stipends

Individuals participating in a work experience opportunity must be compensated at the same rates, including periodic increases, as trainees, or employees who are similarly situated in similar occupations by the same employer and who have similar training, experience and skills. The rates may not be lower than the higher of the federal or state minimum wage. A flat rate wage applied to all individuals participating in a paid work experience opportunity (e.g. \$8.00/hour for all participants) would not be allowed if there are trainees or employees who are similarly situated in similar occupations with the same employer who receive wages that differ from the flat rate wage. Wage requirements under the Fair Labor Standards Act (FLSA) apply to all youth employed under WIOA. The FLSA applies to the extent that the activities performed in the work experience constitute employment. WDBs must determine whether work experience constitutes training as opposed to employment. For more information a Certified Public Accountant (CPA) may be consulted.

Choosing a Worksite

Matching a WIOA participant with the appropriate worksite is critical to a successful WEX job assignment. Worksite supervisors need to have a clear understanding of the objectives of the WEX job assignment and realistic expectations of the work products and productivity that a WIOA participant may demonstrate. The participant must have adequate supervision, as any other entry-level employee. The worksite must be willing to allow Board staff, the North Carolina Division of Workforce Solutions and/or US Department of Labor to perform onsite monitoring to ensure compliance with the worksite agreement, as well as, to monitor the progress of the participant.

The Mountain Area Workforce Development Board is an Equal Opportunity Employer and Provider of Career Development, Training and Employment Services. Auxiliary aids and services are available upon request to individuals with disabilities.

The Local Area will use discernment when choosing worksites. When choosing employers, analyze the “value added” contributions an employer is willing to make to the experience for the participant. Examples of such contributions are structured development/refinement of work readiness skills, provision of on-site educational services, and exposure to enhanced skill training and mentoring.

DWS strongly discourages the practice of placing participants in WEXs located at the board office, career center or administrative entity due to potential conflicts of interest. Placement at these locations should only be allowed where there is specific documentation in the file that the particular experience meets the participant’s career goals and skills needs AND there is no other placement opportunity available.

Skills Analysis/WEX Training Plan Development

An individualized WEX skills analysis must be performed to determine the acquisition of skills that the participant does not already possess. Skills the participant may have acquired from previous work or life experiences are potentially transferrable and can be used in every occupation, regardless of the type of work. Transferrable skills are unlike job-related skills, which tend to be used only in one type of work.

The analysis will contain occupationally specific skills that the employer requires for competency in the WEX occupation. An analysis of the trainee’s prior work history, transferrable work skills, and the job skills gained must be compared to the job skills/job description the employer requires in the WEX occupation. The resulting gap in skills will be the basis for the development of the WEX.

There are a number of assessment tools available that may be used to conduct a skills gap analysis and provide adequate documentation of the process utilized. These include “Prove It”, and internet-based assessment tool used to determine an individual’s level of skills in a particular occupation and to document skills deficiencies, as well as the O*NET Online website and www.myskillsmyfuture.org which have both been developed by the US Department of Labor.

The sample WEX Trainee Evaluation Form may also be used at the conclusion of the training to document the mastery of the required skills. Completion of the final skills evaluation section of the form signals successful completion of the WEX.

The Worksite Agreement

There must be a WEX Worksite Agreement between the service provider and the employer that articulates the learning that is to take place, the length of the WEX, the academic and/or occupational competencies to be obtained. The Worksite Agreement must be completed and signed prior to the start of the WEX. The service provider will use a standardized Worksite Agreement template (sample provided as Attachment 2) developed by WDB staff. Additionally, the service provider must provide documentation that the employer received formal WEX training.

The Mountain Area Workforce Development Board is an Equal Opportunity Employer and Provider of Career Development, Training and Employment Services. Auxiliary aids and services are available upon request to individuals with disabilities.

The purpose of the worksite agreement is to establish a formal training relationship with a worksite, to specify the responsibilities of each party to the agreement, and to provide a successful, enriching WEX job experience for the WIOA participant. A signed original of the Worksite Agreement should be on file at the worksite and the provider should maintain all WEX documents and case notes in NCWorks Online.

The following items are the minimum required terms and conditions of a Worksite Agreement. Other specifications and terms specific to the worksite may be added as needed.

Work Experience (WEX) Contract Requirements

- 1) Work Experience contracts require that the wages paid to participants be at least the prevailing entry wage for any specific occupation in the community.
- 2) The employer must comply with the requirements of the Civil Rights Act with respect to equal opportunity in employment for the WEX position, as well as comply with all federal, state, and local laws.
- 3) The WIOA Service Provider or WDB must have Workers' Compensation Insurance coverage and make federal and state tax withholdings as required by law, as applicable. In addition, the individual trainee payroll tax records must be maintained and available for review for a minimum period of three years after the end of the training period. (The North Carolina Workers' Compensation Act requires that all businesses that employ three or more employees, including those operating as corporations, sole proprietorships, limited liability companies and partnerships, obtain Workers' Compensation Insurance or qualify as self-insured employers).
- 4) Conditions of employment and training will be in full accordance with all applicable federal, state, and local laws (including but not limited to health and safety laws), and be appropriate and reasonable with regards to the type of work undertaken and the proficiency of the participant.
- 5) The employer must certify that the participant will not displace any regular employee of the employer and that no person was displaced as a result of the relocation of the current business within the previous 120 days of signing the WEX Worksite Agreement.
- 6) The WEX employer will agree to adhere to the local WDB's grievance process if a complaint arises in connection with the WEX participant and/or the training.
- 7) WEX will not be employed to carry out the construction, operation, or maintenance of any part of a facility that is used or to be used for sectarian instruction or as a place for religious worship, or be required to participate in religious activities.
- 8) Participants may not enter a WEX position if a member of his/her family is engaged in an administrative capacity with the WEX employer, including a person with selection, hiring, placement, or supervision responsibilities for the WEX trainee.
- 9) The provider must certify that neither the employing company nor its principals are presently debarred, suspended proposed for debarment, declared ineligible, or excluded from participation by any federal department or agency.

The Mountain Area Workforce Development Board is an Equal Opportunity Employer and Provider of Career Development, Training and Employment Services. Auxiliary aids and services are available upon request to individuals with disabilities.

- 10) A participant may not be trained under a WEX Worksite Agreement at a particular employer if:
- a) any other individual is on layoff from the same or substantially equivalent job;
 - b) the employer has terminated the employment of any regular, unsubsidized employee, or otherwise caused an involuntary reduction in its workforce with the intention of filling the vacancy so created with the WIOA participant; or
 - c) the job is created in a promotional line that infringes in any way on the promotional opportunities of currently employed workers.

**Mountain Area Workforce Development Consortium
Workforce Innovation and Opportunity Act (WIOA)
Work Experience Worksite Agreement**

This Agreement is made between _____ (NCWorks Career Center) and _____

(WIOA Worksite) a **public** **non-profit** or **private for profit business or organization** to provide subsidized internship/work experience to eligible adults and/or dislocated workers participating in the Mountain Area WIOA Workforce Development Program, authorized and funded under the Workforce Innovation and Opportunity Act. Under this Agreement, participants will be provided short-term work experience which is valuable and meaningful for both the participant and the organization/worksite.

The term “NCWorks Career Center” in this Work Experience Worksite Agreement refers to the appropriate Adult and Dislocated Worker contractor for the Local Area.

Work experience job assignments will be consistent with each WIOA participant’s capabilities and interests and in an occupational field or specific job in which he/she has minimal or no prior work experience. WIOA-funded work experience jobs are expected to help individuals gain the skills and experience they need to succeed in the workplace and obtain unsubsidized employment.

Term: This agreement will take effect on _____ and terminate no later than _____
(Date) (Date)

This Worksite Agreement provides the following assurances

- 1) There will be sufficient, meaningful work to keep WIOA participants fully occupied during work hours;
- 2) Work will be conducted in a safe work environment;
- 3) There will be adequate full-time supervision of each WIOA participant by qualified supervisors;
- 4) The NCWorks Career Center will obtain Worker’s Compensation Insurance to cover all WIOA participants engaged in internship or work experience at a worksite;
- 5) The participating Worksite will notify NCWorks Career Center staff if difficulties arise which the Worksite supervisor and participant are unable to resolve. NCWorks Career Center staff will attempt to find a mutually satisfactory solution. The NCWorks Career Center staff and/or Worksite supervisor may recommend termination or transfer of the participant if the situation or problem is not resolved;

The Mountain Area Workforce Development Board is an Equal Opportunity Employer and Provider of Career Development, Training and Employment Services. Auxiliary aids and services are available upon request to individuals with disabilities.

- 6) There will be adequate oversight and review of each participant's time and attendance;
- 7) There will be sufficient equipment and/or materials provided to carry out assignments;
- 8) This agreement will be maintained at the Worksite and available for review by federal, state, local area and NCWorks Career Center representatives;
- 9) All requirements and regulations governing the WIOA program will be upheld;
- 10) Worksite supervisors will adhere to existing State and Federal labor standards.
- 11) The participating worksite has not relocated this establishment and commenced operations in the past 120 days, where the relocation resulted in the loss of employment at the original location.
- 12) No WIOA participant shall be employed or job opening filled (A) when any other individual is on layoff from the same or any substantially equivalent job, or (B) when the Worksite has terminated the employment of any regular employee or otherwise reduced its work force with the intention of filling the vacancy so created by hiring a participant whose wages are subsidized under this Act.
- 13) Equal Employment Opportunity and Nondiscrimination: The Worksite assures that no person on the grounds of race, creed, color, disability, national origin, sex, age, political affiliation, or beliefs, will be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with funds made available under the Workforce Investment Act.
- 14) The Local Area will determine payroll responsibility.

Work Activities

A written job description must be attached to this Agreement. The job description must include:

- (1) Accurate description of required duties and responsibilities
- (2) Hourly wage for position
- (3) The days and hours to be worked (not to exceed 40 hours per week or 480 hours in total).

If the WIOA participant's job duties at the Worksite change, the Worksite agrees to notify the NCWorks Career Center immediately so that this agreement may be modified.

Time and Attendance

Accurate time and attendance records will be kept by the Worksite supervisor for each WIOA participant. Records will reflect the time actually worked by the participant. **Participants will not be paid for time not engaged in work duties, including absences, lunch periods, vacation time, or holidays. Under no circumstances should a WIOA participant work over 40 hours in a week.**

Monitoring
