French Broad River Tour

Nathan Ramsey shared that LOSRC is planning a French Broad Tour which will take place in the summer or fall of this year. The French Broad River connects our region's four counties, and the river has many economic, cultural, and environmental impacts. The tour will take place on Fridays over the course of several days and would span from Rosman to Hot Springs. A rafting tour, most likely in Madison County, is planned as part of the event. The tour will be paid for with private funds and would be open to elected officials, government staff, economic development, business, agricultural and environmental leaders. Planning is in the beginning phase, and it is planned that the tour would begin in Transylvania County. It is anticipated that there would be no cost for to participate in the event. This would be a significant undertaking for LOSRC as this has not been attempted before. Working with the French Broad River Partnership to plan this event. LOSRC would provide liability coverage for the event, and it is envisioned that buses would be rented to transport attendees to points of interest in each community during the span of the event. Nathan Ramsey shared that the tour would occur late summer or fall of this year.

Information item. No action requested.

Other Items

Executive Director Report

Nathan Ramsey shared that his current report is included in the agenda packet, and he encouraged Executive Committee members to reach out with any questions or comments regarding the report.

Nathan Ramsey shared that draft legislative goals would be presented for the Board to consider approving. Those goals are affordable housing, broadband expansion, water/sewer infrastructure, additional revenue options and flexibility on using sales tax monies, etc. He noted that the Board is free to discuss the General Assembly providing support for affordable and workforce housing.

Nathan Ramsey shared that LOSRC is in early discussion with Eastern Tennessee Development District (ETDD) and other organizations to provide an annual environmental award named after the creator of the Appalachian Trail.

Nathan Ramsey shared that Mayor Fitzsimmons and Vice Mayor Kilgore joined LOSRC staff at the NADO conference that just concluded in Washington, DC. Sandra Kilgore shared that it was a wonderful experience to see the venue that NADO operates in, making it more real-these are individuals just like us working to make positive change. The experience brought things full circle and provided an excellent learning experience. Chair Fitzsimmons shared that it was a great opportunity to learn who has the funding and who makes things happen. Nathan Ramsey shared that the NADO training conference is planned for the fall in Cleveland. He noted that the executive director of NADO, Joe McKinney, is a former executive director of LOSRC.

Nathan Ramsey shared that the Board would hear from several entities regarding the Evergreen closure including Mayor Smathers from the Town of Canton, Chet Mottershead from Department of Commerce, Division of Workforce Solutions, and David Garrett with Southwestern Workforce Development Board (SW-WDB).

Nathan Ramsey gave a shout out to Erica Anderson for her efforts to bring the NC School of Government training on how local governments can train and retain staff to the region.

Nathan Ramsey requested feedback on the proposed changes to the meeting format to reduce the time delegated for the meetings and to include a critical conversation on topics relevant to the region. The goal is to begin the new meeting format with the August meeting.

Adjournment

Respectfully submitted by Zia Rifkin

AGENDA ITEM SUMMARY

Item: 3A – Staff Salary Adjustments

Nature of Item: Action

Attachment(s): Staff Salary Adjustments

Background: Proposed staff salary and pay grade adjustments are intended to maintain pay

rates competitive with the market. Leadership team has determined our team can be more effective with pay adjustments than retaining a firm for a pay study. Land of Sky Regional Council is struggling to attract and retain staff. We have lost several staff members who have received substantial pay increases with their new

positions.

Responsible Staff: Nathan Ramsey, Executive Director

Suggested Motion: Motion to approve the staff salary and pay grade adjustments as presented

effective May 1, 2023.
